

MOST SERIOUS BREAKS IN STATE ROADS REPAIRED—NOW BEING USED

The most serious breaks in gravel and stone surfaces reported last week have been repaired and where roads are frozen all kinds of traffic is going through, detouring only around construction, the state highway commissions weekly bulletin on the general condition of state roads, issued today said.

John D. Williams, state highway director, called attention that traffic using state roads must exercise judgment in view that a road frozen today and passable, may be soft, or in extreme cases impassable for short stretches during thaw periods. "It is impossible," Mr. Williams said, "to provide an up-to-the-minute report on all road conditions because thaws will effect, often seriously, the best gravel and stone surfaces providing said road is subjected to dense traffic at a time when it will cut and rut severely. For this reason, it is suggested that conditions in the bulletin be noted and traffic be governed by condition of the weather when the road is to be used."

In the meantime, according to the bulletin, maintenance forces are patrolling roads and repairing breaks as fast as they occur. Extreme care is being taken to prevent loads of more than 3 tons, passing over roads in thaw times. If roads are frozen this restriction is not enforced, and the 3-ton maximum capacity order does not apply to hard surface roads.

"The value of a state road system," Mr. Williams explained, "is keeping as many roads open in all kinds of weather and under all conditions as possible. Even the critical must realize that no gravel and stone surface will withstand heavy traffic when full of water and thawing. For this reason cooperation of the public is urged both to maintain uninterrupted traffic so far as possible, and to prevent serious and costly damage."

No. 1—Open from Indianapolis to West field. Detour 1-mile east north to intersection of Sheridan-Noblesville road, thence northwest to state road.

No. 3—One way traffic across railroad overhead at Putnamville. Narrow grade at Glenn 3-miles east of Terre Haute; drive carefully grade to Deer Creek bridge east of Putnamville. Traffic use care in Centerville as T. H. L. & E. tracks are torn up.

No. 4—If thawing road impassable between Sullivan and Linton. New fill east of Seymour soft. Closed west of Seymour. Detour around earth road east of Dugger. Rough just east of Medora.

No. 5—Detour via Mitchell and Paoli on 41 and 22 around construction between Logansport and West Baden. (Detour in force all winter).

No. 6—North-bound traffic leave Indianapolis on Meridian street to Canal, west and across bridge to Illinois street, north 4 1/2 miles, thence west 3 miles to No. 15. At junction of 15 and 33 go west through Lebanon.

No. 9—Suitable for light traffic only between Clay City and Brazil. Construction at 4-miles south of Brazil. East detour fair only. Construction between Jasonville and Clay City. Eel river ferry south of Clay City again operating.

No. 10—Bad breaks south of Princeton and north of Patoka. In poor conditions between Sullivan and Shelburn but passable. Poor between Vincennes and Bicknell. North bound traffic from Evansville take old state road to junction of new pavement near Inglesfield, thence north on pavement to Princeton. Run-arounds at two bridge construction projects. Follow detour signs 6 1/2 miles north of Farmersburg. About 5 miles south of Attica detour to Boswell and around bridge construction. Parts of road soft.

No. 12—Bad from Bruceville to Edwardsville. New fill 7-miles south of Spencer should be driven carefully. Rough between Gosport and Paragon.

No. 13—Construction for 10-miles south of Garrett, and for 8-miles south of Michigan line; detour via Freemont. Grading north of New-castle.

No. 15—Leave Indianapolis on N. Meridian street, cross Canal bridge to Illinois street and north 4 1/2 miles, thence 3 miles back to 15, avoid construction in Marion county. Detour poor. Closed at north edge of Laporte account construction.

No. 16—Construction between Booneville, Gentryville and Litchfield City. Heavy grading between St. Meinrad and Leavenworth.

No. 18—Earth road between Gentryville and Dale.

No. 20—Soft and frozen alternate-

ly between Mt. Vernon and Owen-

No. 21—Road-side detour at Randolph-Jay county line in good shape for light traffic only. Truck detour to west. Grading north of Richmond.

No. 22—Use No. 12 between Indianapolis and Martinsville as No. 22 is impassable during thaws. Avoid heavy construction between Paoli and Road No. 16—Rough for 2 miles south of Martinsville.

No. 24—Heavy grading between Parny and Salem; detour via Fredericksburg in wet and thawing weather.

No. 25—Closed from Angola to Lagrange county line. Closed from Michigan City to New Carlisle. Though Laporte traffic is using new pavement to No. 15, through traffic should follow marked detour to north.

No. 26—Detour around pavement construction just southeast of Columbus impassible in wet weather. Take No. 1 to Seymour and cross on No. 4 Rough between Nashville and Columbus.

No. 27—Bridge out 2-miles south of Goshen detour is poor.

No. 28—Earth surface from Petersburg to Sandy Hook to be avoided in wet weather. Widening and surfacing from Petersburg to Washington.

No. 32—Bridge out north of Cloverdale; drive run-around carefully.

No. 33—Bridge out 4-miles west of Covington. Both detours poor.

No. 40—Grading between Scottsburg and Blocher. Heavy construction between Haysville and French Lick. Detour impassable. Rough west of Vevay.

No. 47—Heavy construction between Newtonville and Troy.

No. 50—Detour 3-miles west of Culver account of bridge construction.

No. 53—New stone being applied south of Sunman. Rough between Batesville and Morris.

"All gravel and stone roads alternate at being soft and freezing rough. Breaks may occur at any time, and for this reason, traffic is warned to drive carefully."

"WORSE THAN PAIN"

Louisiana Lady Says She Has "Never Found Anything Better Than Cardui for a Run-Down Condition."

Morgan City, La.—"It would be hard for me to tell how much benefit I have derived from the use of Cardui," said Mrs. I. G. Bowman, of 1319 Front Street, this city.

"I was so run-down in health I could hardly go. I was thin. I had no appetite. Could not rest or sleep well. I was so weak, and so very nervous, I was no pleasure to myself."

"I suffered some pain, but the worst of my trouble was from being so weak and easy to get tired and out of heart."

"This nervous condition was worse than pain."

"Some one told me of Cardui, and I decided to use it."

"After using a few bottles, I regained my strength. I wasn't so nervous, and began to eat and sleep, and grew stronger and was soon well."

"I have never found anything better for a run-down condition."

If you suffer as this Louisiana lady did, you, too, should find Cardui helpful for your troubles.

"Lest We Forget"

As we turn from commemorating the natal day of one to whom we give credit for preserving the Union, we prepare again to do honor to the first national hero—he whose convictions and determination won for the colonies the right to their independence and the chance to work out their own salvation.

True Americans should welcome the opportunity to do honor to George Washington's memory because to his leadership of a cause that triumphed in the face of overwhelming odds, we owe everything.

Washington's halo is not that of a martyr whose efforts were unavailable, who strived in vain to right wrongs. To those who view world events in their proper historical perspective, without sentimentality and with love of justice and freedom in their breasts, the American Revolution fills the most encouraging page in the history of the centuries.

But for most of us, it is only in times of stress like those through which we passed during the World War and the reconstruction period, that we can realize our exceptional privileges as a nation and as individuals. It is only after we have seen the

Safety Sam's Sermonette

This country's full o' wise ones who lay back an' haw-haw over th' stories vinted in 1880, about th' hicks who used t' land in Chi., with their carpet bags an' chin whiskers proclaimin' th' fact that there'd arrived in town another prospect for buyin' a few floors o' th' Masonic Temple on th' payment or any other plan that'd get th' smile pulled by th' bird who reads a story tellin' how th' circus slickers roped 'em in with their little ol' shell games 'n cappers, back in th' days when toothpick boots made th' corn salve business hum.

But th' same guys who grin b'cause they've been told how th' ol' skin games worked, are th' ones who fall quickest n' hardest for th' ragz with a new wrinkle that's from time t' time dangled temptin'ly b'fore 'em t'day. There's just as many slickers as ever an' what Barnum said about suckers still holds good. Th' technick o' th' game has been changed, that's all. It's been changed from grabbin' a few dimes or dollars with a keen game, t' rakin' in a few millions or so by paintin' rosy pictures o' wells spoutin' lakes of oil, located just a few hundred miles from a gusher, or of plantations yieldin' crops o' billions o' b'loon tires, with nothin' t' do but clip 'em 'n crate 'em for th' market. Th' stock's been placed with just a few thousand insiders, which th' come-on is as soon as he puts 'up his dough.

I claim it pays t' invest your dough where you can keep your eye on th' property and th' gents in charge of it!

results of tyranny and the greed of might and power, that we have come to appreciate that which the Father of our country made possible for us.

Since the world catastrophe, the Declaration of Independence has a clearer significance; we know, as we did in former years, but did not fully appreciate, what it means to be free and independent states, removed from the dominance of foreign powers. We have come to a new sense of appreciation of the constitution of the United States and a realization that the framers of that sacred document built wisely when they sought to protect the rights of the minority against the passing whims of the majority.

And, so this year, Washington's birthday should be no routine holiday, but a day of solemn reflection over the debt that we can never repay for the heritage of a free people that we enjoy.

Let us pay unstinted tribute to him who made us a nation, the warrior who cut the bonds of foreign overlordship, the statesman who bade us, avoiding entangling alliances, to go our free way, an independent republic.

"With malice toward none," said Washington's greatest successor, "with charity for all." It was a summing up of Washington's own political creed. No lost cause, however glorious with the blood of martyrs, seems more noble today than the cause of American independence.

It is our duty to cherish and protect it and to give honor to whom honor is due.

Mrs. Shaw Calls Lydia E. Pinkham's Vegetable Compound a God-Send to Sick Women

Cambridge, Maine.—"I suffered terribly with pains and soreness in my sides. Each month I had to go to bed, and the doctor told me I simply had to go under an operation before I could get help. I saw your advertisement in the paper, and I told my husband one day to get me a bottle of Lydia E. Pinkham's Vegetable Compound. Before I took the third dose I felt better. I took it four times a day for two years, getting better all the time, and now for four years I don't have any pains. After taking the medicine for two years I had another child—a lovely baby girl now four years old—the life of our home. I do praise this medicine. It is a God-send to women who suffer with female troubles and especially for pains at the periods. I surely was very bad once, and I know that Lydia E. Pinkham's Vegetable Compound saved me from an operation."—Mrs. JOSIE M. SHAW, Route No. 1, Cambridge, Maine.

A country-wide canvass of purchasers of Lydia E. Pinkham's Vegetable Compound reports 98 out of every 100 were benefited by it. For sale by druggists everywhere.

LIONS FALTER AT CRITICAL MOMENT

With Score 33 to 33 And Three Minutes to Play, Richmond Shows Punch That Wins Game

LOCALS LEAD MOST OF WAY

Pile Up Five-Point Margin First Half And Maintain it Most of The Second Half

Outplaying Richmond in all stages of the game here Friday night, the locals lost a hard fought contest in the closing three minutes of play, when the visiting team took desperate chances on long shots, and broke a 33 to 33 tie, winning by a 9 point margin, 43 to 34.

The game was the fastest encounter seen this year on the local court, and the Lions put up a fight from the start, and were entitled to a victory. In the last half Richmond was given ten chances on fouls, and made 7 of them, while Rushville made good one out of three attempts.

With the score 27 to 24, Snoddy was retired on fouls, just when it began to look like Rushville was going to upset the hopes for the Morton team. Rushville piled up the score in the first half, and were in front 23 to 18.

Right in the start of the game, Snoddy scored a field goal, and after a little tussle, Price came back with one for Richmond. Rizio fouled and McNamara made the one point count. Eubanks dropped a goal in for Richmond, that made the score 4 to 3 in the visitors favor.

Snoddy threw the ball in from under the basket, with a Richmond player hanging on, and the goal counted, and he also made good his two shots on the foul, putting Rushville in front 7 to 4. Walker fouled and Price counted one for Richmond, and when Rizio anchored one from the center, the score was tied at 7 to 7.

Goals by Kessler and Rizio put Richmond in front 11 to 7, and the Lions called time. Snoddy scored next for Rushville, and when McNamara fouled, Rizio was given two chances and made one of them, putting the score 12 to 9 in favor of Richmond. Comella dropped one in for the Lions, and when Hilligoss scored from the field, the score was in Rushville's favor, 13 to 12, with Richmond calling time.

Snoddy and McNamara each scored the next shots, that put Rushville ahead, 17 to 12. Snoddy fouled, but Johanning missed for Richmond. Walker sent the score 19 to 12 with a nice side shot. Richmond spurted and broke through for a shot under the basket, with Price connecting. Hilligoss came back with one for Rushville, putting the score 21 to 14.

Richmond called time out again. When play resumed, Price and Kessler counted goals, making the score 21 to 18, and Rushville called time. Snoddy fouled again, and Kessler missed a shot. Before the gun sounded the end of the half, Comella dropped in another from the center, making the score 23 to 18, with Rushville leading.

At the start of the second half Muey went in at forward for Richmond and he scored a field goal. Snoddy came back with one for Rushville, making the score 25 to 20. Snoddy made his third foul, and Muey tossed in the one point. Comella found the hoop again from the center, and Rushville was in front 27 to 21.

Muey bounced the ball in from under the basket, and when Snoddy fouled for his fourth time, he went out, and Newbold took his place. Kessler scored the point on Snoddy's foul, making the score 27 to 24. McNamara fouled and Kessler made one of the two chances, putting Richmond behind 2 points, 27 to 25. Hilligoss dribbled through for a shot, that again put Rushville out in front, 29 to 25, and then Muey scored from under the goal for Richmond, with Hilligoss coming back and dropping in another, making the score 31 to 27.

Muey and Hilligoss staged the same thing again, and the score was 33 to 29, and as time was getting short, Richmond called time out for the third time to talk matters over.

Rushville fouled, and Rizio made both count. Newbold fouled, and Kessler was given a chance to tie the score, but missed one shot, and the score was 33 to 32. In quick time Rushville fouled again, making three fouls in less than a minute,

MANILLA SWAMPS ARLINGTON

Wins by Score of 41 to 13 on Own Floor Friday Night

Manilla swamped Arlington Friday night at Manilla, 41 to 13. The victors took an imposing lead the first half, the score standing 19 to 6 when the period ended.

Hester, Manilla forward, rained in 8 field goals, and Baker, his running mate, counted 5. H. Brown, center, got two each. W. Brown who went in for Haley, scored two from the field. Hester made one foul goal.

Tate of Connersville acted as the referee.

and Eubanks was given two shots, and made one, which tied the score 33 to 33.

Rushville called time, and only three minutes was left to play. Rizio fouled, and McNamara missed his one chance. Muey fouled and Hilligoss was given two shots, making his first and missing his second attempt, putting Rushville ahead 34 to 33.

In the closing minute and a half, Rizio added the punch that wins games, and from near the center of the floor he made three shots, putting Richmond in front 39 to 34. Before the gun, Eubanks and Kessler made easy shots for Richmond, that put the score 43 to 34.

The game had been pulled from the fire by Richmond in the last few minutes, and the locals deserve great credit for the showing that they made. The offering was Richmond's best, and it was the closest call that any team could have. Although Newbold played a fine game, yet it is the belief that the way that Snoddy was hitting the basket, and playing ball, that Richmond would never have won, if he had stayed in his position.

Any team that can hold Richmond to 9 points, and play like they did, will have no trouble in going a long way in the tourney. If the game last night had been a tournament game of 15 minute halves, Richmond would have been out of the running, as the game was not won by them until after 37 minutes had gone by.

The way the Lions played, should give them all kinds of encouragement over Connersville next Friday, and with the same old fight, the Fayette county team should not be much trouble here. As a matter of fact, the Lions are out to crush Connersville.

The line-up and summary:
Richmond 43 Rushville 34
Eubanks F Hilligoss
Price F Snoddy
Johanning C Walker
Kessler G McNamara
Rizio G Comella
Substitutions, Muey for Eubanks, Eubanks for Price, Newbold for Snoddy. Field goals, Eubanks 2, Muey 4, Price 3, Rizio 5, Kessler 3, Hilligoss 3, Snoddy 5, Walker, McNamara, Comella 3. Foul goals, Eubanks, Muey, Price, Rizio 3, Kessler 3, Hilligoss, Snoddy 2, McNamara. Referee Babb Umpire Campbell.

TWO PRELIMINARIES HELD

Two games were on the program before the big game, with the Rushville second team winning from Morrilltown 36 to 21, and the Columbus girls downing the Rushville girls 23 to 11.

The seconds did not have much trouble with the Morrilltown team and were ahead 15 to 9 in the first half.

The visiting girls were out for revenge, and Euzetta Foster, the forward for Columbus, proved too much and scored all of the 23 points for the Bull Dog girls.

The summary for the two games:
Rville Girls 11 Cbus Girls 23
Moore F Foster
Morgan F Harrod
Hunt F G. Wallin
Cross G Suverkrup
McMakin G Myer
Ralston G Barnaby
Substitutions, Jay for Morgan. R. Wallin for Harrod. Field goals, Moore 2, Jay 2, Foster 9. Foul goals, Moore, Jay, 2, Foster 5. Referee Swain, Umpire Crowe. First half, Columbus 9, Rushville 6.

Rushville 36 Morrilltown 21
Wainwright F Ogle
McMakin F Wortman
Christopher C Westerfield
Arbuckle G Crane
Sherman G McBane
Substitutions, Rushville, Joyce Conover, Farthing, Norris, Cherry, Jones, Morrilltown, Meyer, Kramer. Field goals, Norris Wainwright 3, McMakin 3, Conover 2, Christopher 4, Arbuckle 4, Ogle 3, Wortman 3, Westerfield 3, McBane. Foul goals, Wainwright, Christopher, Wortman. Referee Adams.

HITTIN' 'EM AND MISSIN' 'EM

It was a great game, even if the Lions did lose, and it only goes to show that Rushville can step out with the rest of them. The 9 point victory of Richmond does not begin to indicate the closeness of the game. The visitors had the punch in the last two minutes and took desperate shots at the basket from the center, and they counted.

The only place that Richmond seemed to have the advantage of Rushville was in basket shooting, and they could hit the net from any angle. Rushville had 3 shots to the visitors one at the basket. Even at that the Lions were hitting the basket in good form, and deserve to be patted on the back.

Richmond plays Bedford tonight. Each of these teams will enter their games on even terms, as Bedford had to go the limit to win an overtime game from Martinsville last night.

The way that Richmond played, indicates that you can expect to see them go a long way in the state tourney.

AND THE LIONS ARE NOT COUNTED OUT

Richmond fans were surprised to see the Rushville team put up such a stubborn fight, and you can ask any of them about the Lions, and they will tell you, that they are expecting to entertain the Rushville team along about regional time at Earlham. One Richmond rooster said Rushville was the next best in eastern Indiana.

To pick out an individual star on the Rushville team would be impossible. The Lions played like they did in the game with Columbus, when they beat them ten points, and every man was at his best.

The Lions were unlucky on fouls, and during the game Richmond made 16 field goals and Rushville 15 goals, with the rest of the points being made on fouls. Snoddy who was going like a streak, had to retire soon after the second half began, on account of fouls, and when this fast player was taken from the line-up, it seemed to take away the speed, and the good basket shooting was missed.

Roman met Roman in almost every encounter last night, with Rizio and Comella hanging on to each other like two long lost comrades. Rizio won the game for Richmond when he anchored three long ones in their last minute rally. Comella, for the Rushville team, dropped in three baskets from the center.

The fellow that invented three games in one night ought to be shot at sunset. The long wait is enough to wear any player out, and besides the fans should be given some consideration.

Next season Hittin' 'em is in favor of adopting a schedule for starting games on time. In every other city the main attraction begins at 7:45 or 8 o'clock. If certain raisers are a necessity, let 'em start on time, or play in the afternoon. The visiting people appreciate getting home before morning.

Poor Ikniks. Hagerstown had the best of them last night 37 to 33 after leading Connersville in almost every stage of the game.

Newcastle got sweet revenge from the Nightingales, 27 to 17, which probably doesn't cement the feeling between Knightstown and the county seat.

Shelbyville's habit is growing. They downed Greencastle last night by several points, and will now center their attention on Martinsville for next Thursday.

Carthage showed Moscow up last night, winning 31 to 23 with the regular center for Carthage out of the game.

K. Wilson, center for New Salem, caged 9 field goals and his team won from Morrilltown 26 to 25 in a thriller last night.

And The Players Used
Football Suits

Who remembers when all of the basketball games were played out of doors, in the afternoon? Hittin' 'em remembers one of the first tourneys ever held here was out at the fair grounds, and Manilla carried off honors, and a fellow by the name of Fox was the star performer in those days for Manilla. Another time is recalled when Milroy held a fall festival or horse show, and Rushville played in the afternoon, with a basketball court laid out in the middle of the west end of Main street. Rusty Kirkpatrick probably remembers that game. Today it takes a place even bigger than a fair grounds, or a Main street to accommodate the crowds. In those days the sky was the limit.

Let's Let Harry Lucas
Toot The Horn

The basketball games in Rushville have not been according to the official rules this year. The rule book states that the score keepers shall be supplied with a horn to blow for substitutions and for inquiries from the referee. The book of rules sets out clearly that a horn or some mouth device, different from the time keeper or referee's whistle, shall be used. These horns are used in some of the larger schools. The rules set out that the sounding of the horn does not stop a game. Anyway, fans are tickled that the score keepers don't have to shoot the gun for every substitution.

Two more games on the Lions schedule. Connersville here next Friday, and then the team goes to Terre Haute on Saturday.

The Lions intend to crush Connersville, if that is of any interest to you.

DRAWING A WEEK FROM TODAY

You won't have to wait until Sunday morning, or Saturday night next week to learn about the drawing for the Rushville sectional. Save your ten cents, and read the Daily Republican in the noon-day edition next Saturday. It will have the official drawing for the local sectional.

If we had our way about it, we'd draw today.

Newcastle plays at Connersville tonight, and if Newcastle is anything like Rushville, they wouldn't let any team beat 'em twice in one season. That's our motto this year.

No year we're not going to let any team beat us once.

GLENWOOD TOSSERS SWAMP GINGS HIGH

Scoring Machine Gets to Working Good and Opponents Didn't Have a Chance

CUSTER STARS FOR GING

The basketball team of Glenwood high school swamped Gings Friday evening in a game played at Glenwood, the score being 41 to 8. The game started off with a bang and it looked like it was going to be a close score, but when the Glenwood scoring machine, Reed, McGraw and Stamm, started to work, the score began to pile up for Glenwood. Custer was the star for Gings.

Lineup and summary:
Glenwood Gings
Stamm F Custer
Rees F Eckert
McGraw C Cortner
Bever G Gordon
Reed G Meyers
Substitutions: Glenwood Lewark, Wicker. Field goals, McGraw 7, Reed 7, Stamm 5, Rees, Custer, Meyers. Fouls, Stamm, Custer 3 Gordon.

RALEIGH SEWS IT UP IN LAST HALF

Webb Outplays Washington Township High School Team First Half But Loses, 27 to 21

WEBB GIRLS TAKE OPENER

Raleigh put the skids under Webb last night at Raleigh in the last half, and won the game in the last 9 minutes of play, 27 to 21.

Webb outplayed Raleigh in the first half, and were ahead, 15 to 9. In the last half Raleigh gradually climbed up on the visiting team, and after getting on even terms, they then forged in front, although the Webb team was leading until the last 7 or 8 minutes. M. Craig was the outstanding star for Raleigh, while for Webb, Osborne, Fair and Davison figured in the scoring.

The girls from Webb won an overtime game from the Raleigh girls, 18 to 14, after the game had ended in a 13 to 13 tie.

NEW SALEM RALLY BRINGS A VICTORY

Defeats Morrilltown by Margin of One Point, Coming From Behind During Last Half

VISITORS PILE UP BIG LEAD

New Salem staged a rally in the last half that nosed out Morrilltown last night on the floor in New Salem with the final count being 26 to 25. The first half saw the visitors in a comfortable lead, 18 to 7.

Correll and Ogle starred for the visiting team while for New Salem Wilson at center found the basket 9 times, and Wills, floor guard, made 2 field and 2 foul goals. New Salem was handicapped on account of several players being sick. The line-up and summary:

New Salem 26 Morrilltown 25
Scott F Correll
Stamm F Ogle
K. Wilson C Wilson
Wills G Talbert
Stiers G Bass
Substitutions, Webb for Bass. Field goals, Correll 6, Ogle, 4, Wilson, K. Wilson 9, Wills 2. Foul goals, Correll 2, Ogle, K. Wilson 2, Wills 2

Tilden Wins One Point

HENRY L. FARRELL
(United Press Sports Editor)

New York, Feb. 16—Even if Bill Tilden finds at the end of the current year that he must set aside the racket if he wants to continue wielding the typewriter, he will have the satisfaction of knowing that his row with the heads of the game ended in a tie score.

Tilden stirred up two major skirmishes this winter when he announced that he would withdraw from competition if the United States Lawn Tennis Association did not abolish its policy of secrecy in appointing the Davis cup team and in declaring that he would continue his literary contributions to newspapers even if the association ruled him out of the amateur class.

Adoption by the association of a new interpretation of the amateur rule, the application of which would make ineligible for amateur competition any player who makes big money as a writer on tennis subjects, may cause Tilden to make a choice between the profession of a tennis player or a tennis writer.

If Tilden has an idea that he is bigger than the game, if he feels that he is so big a factor in the success of American tennis and the future of the game in this country that he could make his own rules, his admission of the sovereignty of the association by retiring as a player would certainly have to be scored as an actual defeat for him, even if he might consider it a victory of a moral nature.

But admitting that he stands to lose on this one point, he already has won the other point of contention, because the Davis Cup committee already has made known that in the future it will notify players thirty days in advance that they are to be appointed members of the defending or challenging teams.

This is a rather important point as it is applied to future Davis Cup competitions. After being criticized by a member of the committee for the way he was playing the doubles match against the Australians last fall in the challenge round for the cup, Tilden not only criticized the committeeman who hawled him out, but he assailed the system of appointment which made it impossible for the players to know who were to play in the doubles until just before the match.

He argued that to get the right kind of a doubles game out of any two good singles players it was essential that the two players be given plenty of time to practice as a pair and to outline a method of offense and defense. It was readily admitted on all sides that two players, who

CARTHAGE PUTS ON COMEBACK AND WINS

Moscow Takes Imposing Lead of 19 to 9 in First Half, But is Nosed Out Final Period

IS HELD TO ONE FIELD GOAL

Carthage high school staged a sensational comeback in the game Friday night at Carthage with Moscow, when they defeated the Orange township team, 31 to 22, coming from behind 19 to 9 at the end of the first half.

The Carthage defense was absolutely tight in the second half and Moscow secured only one field goal. Gosnell sank seven field markers in for the visiting team.

Moore and Renegar starred for Carthage. The Moscow team played whirlwind ball in the first half, and piled up the ten point lead. In the second half, Carthage fought every minute, and scored 22 points, while Moscow made only 3 points. The game last night was the last game for Carthage before the sectional, and they gave the fans their money's worth.

A curtain raiser was won by the Carthage Christian Church Juniors over the Arlington Christian church Juniors, 26 to 3.

had not worked with each other all season, could not with forty-eight hours' practice go out and defeat an opposing pair of experience and long practice.

The association generously conceded Tilden's point and it not only made known that it would accept his suggestions in the future, but it went even further in drawing up elaborate plans for the development of the doubles game in this country.

While America's singles players rule the tennis world, it has been no secret for three years that there was much to be desired in the American doubles game and that America was going back instead of improving in team play.

The association suggested that leading players, after the fashion of the Kinsey brothers, form permanent pairs and play all season together. The Australians carry out this policy in the development of doubles players and no country can compare today with the Australians in team play.

The best doubles players in the country are to be asked to collaborate on the preparation of a book of instructions upon the strategy of doubles play.

ARLINGTON

Our basketball team has been on a slump the last two weeks. But we are predicting that they will be out of it by tournament time and will be heard from at that place and will be ready to pull one of those surprises, similar to those given a few teams this winter. A change in the line-up has been brought about and good results are expected.

Fon Kemple has been forced out for the rest of the season due to illness. He is sure to be missed as he was a valuable resource man. Two games on the regular schedule remain, Moscow and Raleigh.

The Arlington basketball girls have

Greenfield, Ind., Feb. 16—The sum of \$100 has been raised in a drive started by the local post of the American Legion for a Woodrow Wilson memorial fund. The money will be used to erect a fitting memorial to the war president in the new Hancock county memorial building.

GINGS SCHOOL

A farmer's joint institute was held last Friday at Fairview. School was dismissed for those who wished to attend. Several students attended all day and all attended in the afternoon. Practically all of the Seventh and Eighth grade students went also. Among those who took articles to exhibit, several brought home rewards. Mildred McMillin received first prizes on three articles entered in the sewing class, and second prize on a cake. Clara Cortner received second on a cake also and second on an article entered in the sewing class.

Lincoln's birthday anniversary was observed Tuesday in all of the rooms. Each room had a program consisting of songs, recitations and dialogues. The third grade, under the supervision of Miss Miller, entertained the Fourth grade. They are to be entertained in turn by the fourth grade on February 22 with a Washington program.

The high school, seventh and eighth grade students are planning a Washington program to be given February 22. Mr. Sipe appointed a committee of three, chairman, Adrian Eckart, Mildred Jarrett, Robert McCullough, to take charge of it.

Mr. Farthing visited several classes here Tuesday afternoon.

Probably our last basketball game of the season was played Thursday night with Glenwood at the Fairview gymnasium, that is not counting the sectional tourney.

We have a new Domestic Science teacher, Mrs. Cory of Orange, who is filling a place left vacant by the resignation of Mrs. Ross. Mrs. Stewart, our Latin instructor, is teaching English now and Mrs. Cory has taken over the supervision of the seventh and eighth grades. We hope she will learn to like our school as well as we do.

Our school was saddened very much by the death of one of our eighth grade girls, Helena—Robey. She had been absent from school almost ten weeks suffering with typhoid fever. She died February the fifth and school dismissed Thursday for her funeral. A beautiful floral offering was sent in behalf of the school.

CENTER SCHOOL

Several of the pupils attended the short course at Knightstown this week.

Ruth Truitt was absent from school Monday on account of sickness.

The class in history is now studying the Civil War. The class in American problems is studying taxes.

History reports given Monday were, "John Brown," by Marguerite Huber; "Arguments, for and against Slavery," by Fern Stewart; and "The Presidential Election of 1860," by Ruby Stewart; Tuesday Ruth Truitt gave arguments for and against secession.

The losing side in the paper contest entertained the winner Thursday afternoon with the following program: Piano solo by Crystal McShurley; reading, Nova Sherman; piano solo, Freda McManus; vocal solo, Lois Trowbridge; reading, Vera Bowles; instrumental trio, Ruth Atkins, violin, William Benner, saxophone, and Marguerite Huber; piano; "Collection Nuts," by the school.

Mr. Landrus read Stockton's "The Lady or the Tiger", for opening exercises Monday.

The entire school was saddened by the death of Eldora Harter. Although Eldora has not been able to be in school this term, she was loved by all, and will be greatly missed.

CARTHAGE SCHOOL

BABETTE HENLEY, Editor
The invitational tourney has been declared a success, both financially and otherwise by the officials, players and fans of Carthage. The best team won, but it took three overtime periods to prove Milroy the best team. They were awarded the loving cup after their six point victory over Moscow. In the curtain raiser the C. H. S. girls won from the Rushville girls, 25 to 22.

Martha Brennan, forward on the girl's team, has been absent from school suffering from torn ligaments in her ankle, which was injured during the curtain raiser Saturday night. Regardless of the severe pain, she continued to play during the remainder of the game. She will be unable to play at the county tourney next Saturday.

Commercial classes have not recited since Monday on account of the

illness of Miss Carfield, who is suffering from tonsillitis.

The Seniors are practicing two nights a week on their class play, "Honor Bright."

Miss Hinshaw issued specially printed "English Helps" to the students of C. H. S. Monday. They contain the motto, "Better English" and lists of "Do's" and "Don't's" pertaining to correct English and pronunciation.

Gilbert Glover, who was injured during the Arlington game at the county tourney, is still suffering from his fractured arm, and has not been at school this week.

Valentine Day was observed by pupils in the grades, with Valentine Boxes, Thursday evening.

GLENWOOD SCHOOL

The Parent-Teachers Association held its regular meeting at the Christian church Tuesday evening. The speaker was the Rev. J. S. E. McMichael, of the Presbyterian church, Connersville. His address was clear and convincing. He said that too many parents of today raised their children in the ostrich way—that is, they merely leave them alone, in a large way, to raise themselves. Child delinquency has been declared, by the judge of our juvenile courts to be due to parent delinquency in more than seventy-five percent of cases. He pleaded for the better bringing up for the child, for greater sincerity honest and square dealings on the part of both parents toward their children. Looking out for the physical needs of a child is only a minor part of one's duty. The mental and spiritual needs are even more important and should be given careful attention by parents.

In addition to the address, Miss Margaret Britt sang three selections that were well rendered and well received by the audience. A three reel film, portraying scenes and industries of Columbia, South America, and also scenes from the world war, closed the program.

At the Farmer's Institute held at Fairview last Friday the Glenwood high school was represented in both the corn contest for boys and the sewing and baking contest for the girls. Eva Morris won first place for the best white layer cake and Paul Lewark and Lowell Reese got fourth and third places, respectively in the exhibit of corn.

John Mapes, former trustee of Union township, spent the day visiting the schools Wednesday. Mr. Mapes still takes an interest in teachers and school and his presence is a familiar sight to the teachers who used to work for him.

HOMER SCHOOL

Coming! Coming! What? A minstrel show! Where? The Homer school building. When? Friday night, February 22 at 7:30 o'clock. Admission? Yes. How much? Children 15 cents and adults 25 cents.

What kind of a program is it? Real fun, front start to finish. First we find a man who is in such a "decided fix" that he doesn't know what to say. Then we meet the man who lost his job because he didn't drink.

Oh, yes! All of Coonville will turn out. They go to the "Ristorat Club" at the home of Mr. and Mrs. Rastus Bonypart Johnson. This is a swell affair. Come and see Mandy "loosen"

her temper when her husband, Rastus falls and gets dirt "Allober de floor." Say, we even have borrowed false teeth! You must hear Mrs. Jones tell about them.

The pickaninnies have a splendid time eating frosting, raisins, brown sugar and bananas, but Abe Linkun regrets his fun when Mandy, his mother, takes him into another room and whips him. Whak! whak! whak! Just listen at him scream. Well, maybe you would too (?)

We also have some real minstrel singers. Come and hear "Oh, Susannah" and "Mammy O'Mine". You just can't miss, "Last Night on the Back Porch". Other numbers, equally good, will be given.

Parent-Teacher's meeting is Wednesday, February 20. A male quartet will entertain that night. Everyone is urged to be present.

The Freshmen have had three tests this week in Algebra. Mr. Arend promised them that if three pupils made 100 percent they wouldn't have any more for a while. Well—he has the grades now and they are saying, "Goodbye test" so you know what that means.

The high school was kindly invited to a party by the seventh and eighth grades. They had a large Valentine box. Valentine Day was justly celebrated by the Homer school. We all enjoyed a fine time and appreciated our Valentines. The other rooms also had Valentine boxes. You know, "It isn't the gift, but the giver."

Horses Fed Right Live Longer

The Veterinarian's Recommendation

Horse Owner—Doctor, there's something the matter with this horse, he's no good for work anymore.

Veterinary—How long have you worked him?

Horse Owner—About six years.

Veterinary—He's all shot to pieces.

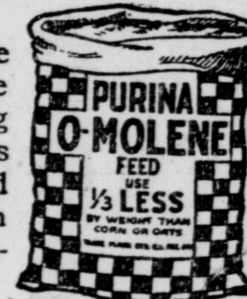

Horse Owner—I guess it was the hard roads.

Veterinary—No, you're wrong. The trouble with this horse is he hasn't been fed right. He's been fed a monotonous diet of oats and corn with hay, which fails to supply a work animal with a sufficient variety of diet to keep him in good shape. If you feed this horse right from now on you'll get a lot more service out of him.

City horses, because they are fed a monotonous diet and never get any green pasture, are generally out of service at 7 or 8 years of age. Horses that are fed right often live to 30 years of age.

I recommend Purina O-Molene because the variety of foodstuff in this well known horse feed is put there to keep them in good working condition. It is a complete ration. Horses thrive on it. They produce more work and live longer on O-Molene. Put your horse on O-Molene feed and watch the excellent results in only a few weeks.

NO RULING MADE NO ARGUMENTS

Judge Sparks Takes Motions in
Greensburg Liquor Cases Under
Advisement

HILLIGLOSS CASE DECISION

Judgment Awarded in Several Suits
That Have Been Pending Before
The Court

Several court matters were decided today in the circuit court, following the busy session Friday afternoon in the issues on the liquor law cases involving Gregg Alyea and Thomas Robbins of Greensburg, who were attempting to have their cases thrown out of court on grounds of former jeopardy.

The question involving these defendants was not decided and is under advisement by the court. There are six affidavits against the Greensburg men, all of which were venued here from that county.

Judge Sparks has rendered a decision in the support case filed by Stella Hilligloss against Claude Hilligloss, after hearing the evidence a few days ago. The defendant was ordered to pay \$4 a week for the support of a minor child.

In the case of the American Security Company against Edgar Herbert, judgment on a note was rendered for the plaintiff amounting to \$134.95 and costs.

The case of Mullins and Taylor against Sanford Heaton was heard, and the plaintiff was rendered \$231.86 judgment on a note.

A claim against the George W. Legg estate was settled by agreement and Dr. C. L. Smullen was awarded his demand of \$80.

Judge Sparks, who heard the case last week of Charles Murray, a garage man of Fountaintown against Claude W. Stucker, a complaint on account demanding \$33, this morning awarded the plaintiff judgment for \$8.65.

A damage suit of Myrtle Gorman against Cecil Waggoner, in which an automobile accident was involved, and \$2,500 damages was demanded, was dismissed, when the parties perfected a settlement in court for \$250.

CHECKS TO BE MAILED AS FAST AS POSSIBLE

Examiners of State Board of Accounts to Determine Refund Due
Each Who Bought License

TO RETURN OVER \$1,000,000

(By United Press)

Indianapolis, Feb. 16—Examiners of the state board of accounts today started the tedious task of checking over the accounts of the state auto license department to determine the amount of the refund due each of 150,000 persons who paid excess auto license fees before the 1923 law was held unconstitutional.

At a conference with Governor McCray and Secretary of State Jackson yesterday, Attorney General Leach submitted an opinion holding that a refund was possible without waiting for a session of the legislature.

More than \$1,000,000 will be turned back to auto license purchasers through the refund.

Checks will be mailed out as soon as the field examiners have determined the amounts due individuals.

"The work will be pushed as fast as possible," Jackson said. "In the meantime, auto owners will assist the department in its unusual task by not appearing personally to demand their money back."

"The checks will be mailed to them as fast as possible."

FINED FOR INTOXICATION

Earl Hinchman was arrested Friday night by Patrolman Havens near a hotel in the western part of the city, and placed in jail on a charge of intoxication. This morning he was arraigned before Mayor Thomas in police court, and was fined \$5 and costs, which he paid.

APPROVAL OF BONDS LIKELY

Opinion Expressed After Richland
Remonstrance Hearing Friday

In some quarters the belief was expressed today that the remonstrance against the erection of a consolidated school building in Richland township, a hearing on which was held Friday, would prevail and that the state board of tax commissioners would approve the bond issue for the new building.

The evidence was heard Friday by Will A. Hough of Greenfield, member of the state board. More than one hundred names were signed to the remonstrance.

Richland township is the only one in the county without a consolidated building.

POLITICS NOT TO HAMPER INQUIRY

Senator Walsh Serves Notice on
Friends That He Will Not Permit
Name Used as Candidate

FIRMLY DECLINES OFFER

Believes Such Step Would Cause
Serious Reflection on Purpose in
Teapot Dome Probe

By LAWRENCE MARTIN
(U. P. Staff Correspondent)

Washington, Feb. 16—Presidential politics will not be allowed to hamper the Teapot Dome inquiry, Senator Walsh served notice today upon his friends.

Expressing his opinions of the offers of Georgia and Nebraska Democrats who offered to circulate his name in those states as a candidate for the Democratic nomination for president, Walsh firmly declined the offer.

His views on the subject were made known in a letter to the Nebraska Democratic Club. This missive, he said today, expresses his position as well as anything he could possibly say. It follows:

"I thank you very kindly for the honor you have offered in consideration of any service I have been able to render my country as a member of the senate public lands committee investigating the novel reserve leases but I take it your motive is more to honor me than to set forward my honor more than to set forward my country."

The same word will be sent to Georgia Democrats who have called a conference for next Monday to discuss entering Walsh's name in that state.

Walsh feels that to have himself put forward at this time as a candidate for political honor would cause a serious reflection, in the minds of many, on the singleness of his purpose in the Teapot Dome inquiry. Some of the influences that have been trying to hush the investigation or to discredit it, would assuredly point to Walsh's candidacy, if he permitted it to continue as an evidence that he was simply playing politics, Walsh feels.

GRANDSON DENIES GUILT

Ray B. Smith of Plymouth Asserts
He Did Not Slay Mrs. Sweet

Plymouth, Ind., Feb. 16—"I am not guilty of any crime."

While the Marshall county grand jury investigated the violent death and secret burial of Mrs. Frances Sweet, 83, her grandson, Ray B. Smith made this statement. Sheriff Bennett said today.

The grand jury today heard further evidence in its investigation of the crime, with which Smith is charged in a statement made by his wife, Mrs. Margaret Smith. She was to appear before the grand jury again today and was expected to repeat the amazing story she told Prosecutor Alvin Marsh which led to the discovery of the aged woman's body beneath the foundation of a hen house on Smith's farm.

Denison Bill Reported Favorably to
The House of Representatives

Indianapolis, Ind., Feb. 16—Passage of the Denison "Blue Sky" bill, reported favorably to the house of representatives is predicted by Maurice Mendenhall, secretary of the state securities commission and president of the National Association of Securities Commissioners.

"Recent fraud exposures, involving hundreds of millions of dollars, many of them brought to light by the investigation of the postoffice department, have tended to strengthen the position of the securities commissioners materially," Mendenhall said.

"I believe we may reasonably expect passage of any legislation which the National Association of Securities commissioners may agree upon."

SCOUTS PREPARE TO ENTERTAIN FATHERS

Father and Son Dinner at K. of P.
Hall Tuesday Night Final Feature
of Anniversary

TROOPS TAKE A HIKE TODAY

Rushville Boys Scouts are making active preparations for the first annual Father and Son dinner to be given at the K. of P. hall next Tuesday evening, which will be the concluding feature of the observance of Boy Scout anniversary week.

Invitations have been mailed to fathers by the Boy Scouts, and those without fathers have selected men to act in that role, much to the pleasure of some of the men who have been invited under these circumstances.

Local Scout troops have had displays in down town business house windows, calling attention to their activities. The Scouts have also been observing the special days set aside for Boy Scout week.

Today was devoted to a hike by all of the troops, the trip to the country starting at 7 o'clock this morning. The Scouts planned to cook their dinners in true camp style and return in time for the Scout mass meeting in the court house this afternoon at three o'clock.

SUES ON GROCERY BILL

Thomas W. Lytle has filed suit in Justice Stech's court against William A. Young, the complaint being on an account, demanding \$97.47 for a grocery bill alleged to be past due. The court has set the case for trial February 20, at 9 o'clock.

TO CO-OPERATE WITH STATE

Bureau of Fisheries to Obtain Perch
Eggs For Artificial Propagation

Indianapolis, Ind., Feb. 16—The U. S. Bureau of Fisheries will co-operate with the State in obtaining 20,000 pike perch eggs for artificial propagation and later for stocking of Hoosier streams and lakes, according to George N. Mannfeld, chief of the State fish and game division.

The Riverside and Tri-Lake hatcheries, the latter in Whitley county, are equipped with apparatus for hatching these eggs, a delicate and difficult task. The State was unable last year to obtain a supply of eggs from Michigan.

"Pike-perch is a real game fish," Mannfeld said. "For that reason, we are anxious to introduce it into Indiana waters."

BOYS ENGROSSED WITH CAMPAIGN

Rushville Youth Engaged Today and
Tomorrow in Following Fellowship
Program

TWO MEETINGS ON SUNDAY

The Boys Fellowship campaign being conducted by Indiana university students today and Sunday, was well under way this morning, with the principal feature of the day's program scheduled for noon when a business men's lunch will be served in the basement of the First Presbyterian church and the college students will speak.

The team of Y. M. C. A. workers has been assigned as follows: Lorin Ashbacher and John Coleman, at the home of Warder Wyatt; Kenneth Heaton, with J. H. Scholl; Arthur Hoadley and Frank Kelso, with Charles F. Wilson; William Peck and Glen Steckley, with Frank Sample; Mark Hindsley and R. J. Duke, the latter a state Y. M. C. A. worker, at the home of Owen L. Carr. These young men will welcome invitations to dinner Sunday and may be reached at the places they are staying.

Sunday's program will be full with a mass meeting for men and boys at St. Paul's M. E. church at 2:30 p. m. and a mass meeting for everyone at the Main Street Christian church in the evening.

There will be a boys' mass meeting at the First Baptist church tonight at 7 o'clock.

RICHMOND FANS ARE INJURED

Six Enroute Here For Game Hurt in
Automobile Accident

Six Richmond persons, enroute to Rushville from that city last night to attend the basketball game, met with an accident on the rough road just south of Dunreith, and their machine struck a pole, injuring all six persons, and demolishing the machine.

The persons were Kenneth Schattel, Rex Sauter, Edward Taube, Paul Loos, Gus Pfafflin and Max Addleman. The machine was owned and driven by Schattel. None of the occupants was seriously hurt, and all were badly cut and removed to a physicians office in Dunreith, where their injuries were dressed.

URGE FILING OF RETURNS EARLY

Little Time And Thought Now in
Preparation of Income Tax Return
is Insurance Against Errors

PERIOD WILL END MARCH 15

Not Infrequently Taxpayers Include
in Their Returns Items That Are
Exempt From Taxation

Taxpayers who prepare and file their income tax returns for the year 1923 early have a decided advantage over procrastinators. A little time and thought now in the preparation of a return is excellent insurance against errors which result to the detriment of the taxpayer and the government alien. The filing period ends at midnight, March 15, 1924.

Not infrequently taxpayers include in their income tax returns items that are specifically exempt from taxation. Among these are the following:

Proceeds of life insurance policies paid upon the death of the insured.

The value of property acquired by gift, bequest, devise or descent. The income from such property, however, is taxable.

Returns of premiums on life insurance, endowment, or annuity contracts. Amounts received through accident or health insurance, or under workmen's compensation acts for personal injuries or sickness, plus the amount of damages received whether by suit or agreement, on account of such injuries or sickness.

Amounts received as compensation family allotments and allowances under the provisions of the war risk insurance and the vocational rehabilitation acts.

Pensions from the United States for the services of the beneficiary or another in the military or naval service in time of war.

A bonus paid by a State to its residents who served in the military or naval services during the war with Germany.

Allowances, whether paid by the Government or a person to one who performs no duties, as, for example to a widow in recognition of the services rendered by her husband, are considered gratuities, or gifts, and are not taxable. The rental value of a dwelling and appurtenances thereof furnished a minister of the gospel as part of his compensation is exempt from taxation.

Dividends or interest, not in excess of \$300 received by individuals during the years 1922 to 1926 inclusive, from domestic building and loan associations, operated exclusively for the purpose of making loans to its members, are exempt from tax.

Salaries paid by a State to its officers or employees.

Tax free income need not be included in gross income, nor need it be mentioned in an income tax return.

LOCAL BOY ON PROGRAM

Robert Gantner who is in Indianapolis attending Butler college, is also studying cornet in the Metropolitan School of Music under Leslie E. Peck and was to play a solo on a program given there this afternoon.

LATIN CONTEST TO OPEN NEXT WEEK

Miss Helen Jaehne, Instructor in Local
High School, in Charge in The
Sixth District

FIRST TIME COVERS STATE

Contest is Held for Purpose of Creating
Desire to do Better And
More Thorough Work in Latin

Miss Helen Jaehne, Latin instructor in the Rushville high school, will have charge of the sixth congressional district section of the Indiana school Latin contest, which will open with local contests the last three days of next week, February 21 to 23 inclusive.

Latin contests have been held in this district before, and Rushville high school pupils in the past have taken a prominent part in it, on a few occasions local students winning it, but this year the contest will cover the entire state for the first time in the history of the Indiana public schools.

The contest is being held under the auspices of the Indiana university extension division for the purpose of creating a desire to do better and more thorough work in Latin and of making the basic aims in Latin more uniform over the state.

The committee of Latin teachers in charge of the details of the contest consists of Miss Elizabeth Smelser, Richmond; Miss Mary Funican, Monticello; and Miss Josephine Lee, of Frankfort, chairman. Mrs. Adele Bittner, of the I. U. extension division, will have charge of arrangements for the state contest and of the clerical work for the preliminary contests.

County contests will be held on March 22; district contests will be conducted April 5, and the finals will be held at the state university April 25 for the district winners. This is the date also of the state high school oratorical contest at the state university, and of the state Teachers' Latin Conference.

"At last we shall have a state Latin contest!" writes Miss Josephine Lee to Indiana high school principals. "The state committee of Latin teachers has been working toward such an event for a number of years. Contests have been held with marked success in the majority of districts. At the classical section of the state teachers' association in October, a committee was appointed to arrange for a state Latin contest this year. The committee is able to announce that successful arrangements have been made through the help of the extension division of Indiana university. You are invited to enroll your school at once among those who are entering this contest."

There will be four divisions of the contest, beginning with pupils who have taken no Caesar, and ending with the fourth division open to pupils studying Vergil. Translation of Latin to English, vocabulary, syntax, and derivative work will be included in the subject matter of the examinations. In future years the content of the contest is recommended to be enlarged so that it will include history, Roman life, mythology, prose composition, and sight translation.

The two pupils receiving the highest grade in each division of the local contest will represent their school in the county contest. The two receiving the highest grade in each division of the county contest will represent their county in the district contest. The winners of each district will go to Bloomington for the state contest. This means a trip to the state university for fifty-two students of high school Latin. The committee recommends that the district winners enter the Bi-State contest at Louisville, Ky. A gold, a silver, and a bronze medal will be awarded to the contestants ranking first, second, and third, respectively, in each division in the state contest.

Tuesday, Wednesday, Thursday and Saturday public meetings. Everyone invited. Lieut. Grace Denchfield and Lieut. Schoolman, officers in charge.

MOST SERIOUS BREAKS IN STATE ROADS REPAIRED—NOW BEING USED

The most serious breaks in gravelly and stone surfaces reported last week have been repaired and where roads are frozen all kinds of traffic is going through, detouring only around construction, the state highway commissions weekly bulletin on the general condition of state roads, issued today said.

John D. Williams, state highway director, called attention that traffic using state roads must exercise judgment in view that a road frozen today and passable, may be soft, or in extreme cases impassable for short stretches during thaw periods. "It is impossible," Mr. Williams said, "to provide an up-to-the-minute report on all road conditions because thaws will effect, often seriously, the best gravel and stone surfaces providing said roads are subjected to dense traffic at a time when it will cut and rut severely. For this reason, it is suggested that conditions in the bulletin be noted and traffic be governed by condition of the weather when the road is to be used."

In the meantime, according to the bulletin, maintenance forces are patrolling roads and repairing breaks as fast as they occur. Extreme care is being taken to prevent loads of more than 3 tons, passing over roads in thaw times. If roads are frozen this restriction is not enforced, and the 3-ton maximum capacity order does not apply to hard surface roads.

"The value of a state road system," Mr. Williams explained, "is keeping as many roads open in all kinds of weather and under all conditions as possible. Even the critical must realize that no gravel and stone surface will withstand heavy traffic when full of water and thawing. For this reason cooperation of the public is urged both to maintain uninterrupted traffic so far as possible, and to prevent serious and costly damage."

No. 1—Open from Indianapolis to West field. Detour 1-mile east north to intersection of Sheridan-Noblesville road, thence northwest to state road.

No. 3—One way traffic across railroad overhead at Putnamville. Narrow grade at Glenn 3-miles east of Terre Haute; bridge carefully grade to Deer Creek bridge east of Putnamville. Traffic use care in Centerville as T. H. I. & E. tracks are torn up.

No. 4—If thawing road impassable between Sullivan and Linton. New fill east of Seymour soft. Closed west of Seymour. Detour around earth road east of Dugger. Rough just east of Medora.

No. 5—Detour via Mitchell and Paoli on 41 and 22 around construction between Logansport and West Baden. (Detour in force all winter).

No. 6—North-bound traffic leave Indianapolis on Meridian street to Canal, west and across bridge to Illinois street, north 4 1/2 miles, thence west 3 miles to No. 15. At junction of 15 and 33 go west through Lehanon.

No. 9—Suitable for light traffic only between Clay City and Brazil. Construction at 4-miles south of Brazil. East detour fair only. Construction between Jasonville and Clay City. Eel river ferry south of Clay City again operating.

No. 10—Bad breaks south of Princeton and north of Patoka. In poor conditions between Sullivan and Shelburn but passable. Poor between Vincennes and Bicknell. North bound traffic from Evansville take old state road to junction of new pavement near Inglesfield, thence north on pavement to Princeton. Run-arounds at two bridge construction projects. Follow detour signs 6 1/2 miles north of Farmersburg. About 5 miles south of Attica detour to Boswell and around bridge construction. Parts of road soft.

No. 12—Bad from Bruceville to Edwardsville. New fill 7-miles south of Spencer should be driven carefully. Rough between Gosport and Paragon.

No. 13—Construction for 10-miles south of Garrett, and for 8-miles south of Michigan line; detour via Freemont. Grading north of Newcastle.

No. 15—Leave Indianapolis on N. Meridian street, cross Canal bridge to Illinois street and north 4 1/2 miles, thence 3 miles back to 15, avoid construction in Marion county. Detour poor. Closed at north edge of Laporte account construction.

No. 16—Construction between Booneville, Gentryville and Litchin City. Heavy grading between St. Meinrad and Leavenworth.

No. 18—Earth road between Gentryville and Dale.

No. 20—Soft and frozen alternat-

ly between Mt. Vernon and Owen-

No. 21—Road-side detour at Randolph-Jay county line in good shape for light traffic only. Truck detour to west. Grading north of Richmond.

No. 22—Use No. 12 between Indianapolis and Martinsville as No. 22 is impassable during thaws. Avoid heavy construction between Paoli and Road. No. 16—Rough for 2 miles south of Martinsville.

No. 24—Heavy grading between Parmyra and Salem; detour via Fredericksburg in wet and thawing weather.

No. 25—Closed from Angola to Lagrange county line. Closed from Michigan City to New Carlisle. Though Laporte traffic is using new pavement to No. 15, through traffic should follow marked detour to north.

No. 26—Detour around pavement construction just southeast of Columbus impassable in wet weather. Take No. 1 to Seymour and cross on No. 4 Rough between Nashville and Columbus.

No. 27—Bridge out 2-miles south of Goshen detour is poor.

No. 28—Earth surface from Petersburg to Sandy Hook to be avoided in wet weather. Widening and surfacing from Petersburg to Sandy Hook to be avoided in wet weather. Widening and surfacing from Petersburg to Washington.

No. 32—Bridge out north of Cloverdale; drive run-around carefully.

No. 33—Bridge out 4-miles west of Covington. Both detours poor.

No. 40—Grading between Scottsburg and Blocher. Heavy construction between Haysville and French Lick. Detour impassable. Rough west of Vevay.

No. 47—Heavy construction between Newtonville and Troy.

No. 50—Detour 3-miles west of Culver account of bridge construction.

No. 53—New stone being applied south of Sunman. Rough between Batesville and Morris.

All gravel and stone roads alternate at being soft and freezing rough. Breaks may occur at any time, and for this reason, traffic is warned to drive carefully.

"WORSE THAN PAIN"

Louisiana Lady Says She Has "Never Found Anything Better Than Cardui for a Run-Down Condition."

Morgan City, La.—"It would be hard for me to tell how much benefit I have derived from the use of Cardui," said Mrs. I. G. Bowman, of 1319 Front Street, this city.

"I was so run-down in health I could hardly go. I was thin. I had no appetite. Could not rest or sleep well. I was so weak, and so very nervous, I was no pleasure to myself.

"I suffered some pain, but the worst of my trouble was from being so weak and easy to get tired and out of heart.

"This nervous condition was worse than pain.

"Some one told me of Cardui, and I decided to use it.

"After using a few bottles, I regained my strength. I wasn't so nervous, and began to eat and sleep, and grew stronger and was soon well.

"I have never found anything better for a run-down condition."

If you suffer as this Louisiana lady did, you, too, should find Cardui helpful for your troubles.

The regular meeting of the Tri Kappa Sorority will be held Monday evening at the home of Mrs. Jack Knecht in East Sixth street.

Mrs. Ben Hames was hostess Friday afternoon to the members of her card club at her home south of the city. The ladies spent an enjoyable afternoon over the card tables and a delectable luncheon was served at the close of the games.

Mrs. Bessie Norris will be hostess Monday afternoon to the members of the Monday Circle at her home in West Second street. Mrs. Edith Waggener and Mrs. Edith Buell will prepare papers on the subject to be discussed at this meeting.

Mrs. Hal Green graciously entertained the members of the 50-50 bridge club Friday afternoon with a one o'clock luncheon at her home north of the city. The appointments for the luncheon tables were beautiful. Following the serving of the repast the guests spent the remainder of the afternoon playing cards.

Mattox Circle, No. 51, Ladies of the G. A. R. held their regular meeting in the court house Friday afternoon. The regular order of business was carried out and the charter draped for a deceased member. Plans were made for a pitch-in dinner to be held at the home of Mr. and Mrs. W. W. Wilcox on just west of the city, Feb. 22, celebrating Mr. Wilcox's birthday and also that of George Washington and Abraham Lincoln.

A large crowd attended the dance given Friday evening at the Modern Appliance building, under the auspices of the Rebekah Crochet Club, for the benefit of the Rebekah lodge. The McGinnis orchestra furnished the music for the dancers. The club cleared about \$75, the proceeds to be used for the rebuilding of the Odd Fellows hall which was destroyed by fire recently.

The regular meeting of the Ladies Aid Society of the St. Paul's Methodist Episcopal church will be held Tuesday afternoon in the parlors of the basement of the church, to which all the ladies of the church are invited. A kitchen shower will be held at this time and light refreshments will be served. The hostesses will be Mrs. A. L. Riggs, Mrs. Guy Abercrombie and Mrs. C. A. Dugan.

Martha Poe Chapter, No. 143, O. E. S. held a special meeting Friday evening at the Masonic Temple and conferred the degree on four candidates. A very enjoyable social was held following the initiation, during which Mrs. Amos Baxter and Mrs. Gibson Wilson entertained the guests with several readings. Refreshments of pop corn and apples were served during the evening.

Mrs. Louis Lambert was elder of the Delphian Society meeting Friday afternoon in the Elks club rooms. The subject for discussion at this meeting was "English Art." The following talks were given on the subject: "Hogarth," Mrs. Louis Lambert; "Reynolds and Gainsborough," Mrs. John Tittsworth; "Turner and Landseer," Mrs. Charles Fisher; "Pre-Raphaelites—Artists and Aims and Their Careers," Mrs. Roy E. Harrold. The next meeting of the Society will be held Friday afternoon, February 29, with Mrs. Harold Pearce as the leader. "Art of Illumination," will be the subject for discussion.

The following clipping from the Indianapolis Star this morning may be of interest to many Rush county people. It is an account of the wedding of Miss Jessie Mabel Holdaway of Indianapolis to Lawrence Cameron, also of Indianapolis, but formerly of near Milroy. Miss Beatrice Cameron was the maid of honor, she being the daughter of Mr. and Mrs. Fred Cameron of near Milroy.

The marriage of Miss Jessie Mabel Holdaway, daughter of Mr. and Mrs. Frank Holdaway, 1217 West Thirty-fifth street, to Lawrence Cameron took place Thursday evening at the home of the bride's parents, with the Rev. Frank Hovis officiating, before at bank of palms and ferns.

The bride was gowned in white tulle, trimmed with Spanish lace. Her veil of tulle was arranged at the head in a fan fashion, and she carried a shower bouquet of white roses, sweet peas and frezias.

Miss Beatrice Cameron, in a gray tulle dress, attended the bride as maid of honor. She wore a corsage of pink sweet peas. Eugene Holdaway attended the bridegroom as best man. Preceding the ceremony Miss Edith Almeroth sang "I Love You Truly" and "My Heart at Thy Sweet Voice." Miss Vivian

Wiley played the wedding march from "Lohengrin" for the entry of the bride party.

The ceremony was followed by a reception at the home. Mr. and Mrs. Cameron will be at home after March 1 at 1136 West Thirty-fifth street.

The guests from out-of-town who were present were: Mrs. Fred Cameron, Mrs. Joseph P. Mills and family, Mrs. Nellie R. Herron and Miss Emily Morgan of Rushville, Ind., Mr. and Mrs. M. A. Devamore of New Augusta, Ind., and Mr. and Mrs. Clemas Sanders of St. Joseph, Ill.

Miss Brenda Kinsinger and Miss Marjory Clark, delegates, and Miss Helen Frazer of the local chapter of the Psi Xi sorority, went to Indianapolis this morning to attend the annual mid-winter convention of the Psi Xi sorority which will be

How's Your Appetite?
Are You Nervous?
Do You Cough?

Bedford, Ind.—I had the "flu" and it almost got the best of me. It left me in a very weak, nervous condition. I had no appetite and was so weak it was all I could do to walk across the room. I also had an awful cough. I tried several different medicines and a good doctor also, but was getting weaker every day. At last I decided to try Dr. Pierce's Golden Medical Discovery, and I can truthfully say that it has done me more good than any other medicine I have ever taken. The third day after I began taking it I was hungry. My appetite is now very good, and I am able to do my housework. —Mrs. Mary E. Casada, 309 North M Street.

N. Y. Evening Mail has this to say:

"There are two outstanding features in the new William Fox picture at the Astor Theatre. One is a superlative performance of a small boy, and the other is a marvelous storm and flood effect. It is a masterpiece of realism, so vivid that one expects the theatre to be swept away in the path of the raging torrent. It is a tremendous thing—that storm—with an entire town, built for the purpose, completely destroyed by the flood. This picture is done with real power."

"Lest We Forget"

As we turn from commemorating the natal day of one to whom we give credit for preserving the Union, we prepare again to do honor to the first national hero—his whose convictions and determination won for the colonies the right to their independence and the chance to work out their own salvation.

True Americans should welcome the opportunity to do honor to George Washington's memory because to his leadership of a cause that triumphed in the face of overwhelming odds, we owe everything.

Washington's halo is not that of a martyr whose efforts were unavailing, who strived in vain to right wrongs. To those who view world events in their proper historical perspective, without sentimentality and with love of justice and freedom in their breasts, the American Revolution fills the most encouraging page in the history of the centuries.

But for most of us, it is only in times of stress like those through which we passed during the World War and the reconstruction period, that we can realize our exceptional privileges as a nation and as individuals. It is only after we have seen the

Safety Sam's Sermonette

This country's full o' wise ones who lay back an' haw-haw over th' stories vinted in 1890, about th' hicks who used t' land in Chi., with their carpet bags an' chin whiskers proclaimin' th' fact that there'd arrived in town another prospect for buyin' a few floors o' th' Masonic Temple on th' payment or any other plan that'd get th' smile pulled by th' bird who reads a story tellin' how th' circus slickers roped 'em in with their little o' shell games 'n coppers, back in th' days when toothpick boots made th' corn salve business hum.

But th' same guys who grin b'cause they've been told how th' o'f skin games worked, are th' ones who fall quickest n' hardest for th' ragz with a new wrinkle that's from time t' time dangled temptin'ly b'fore 'em t'day. There's just as many slickers as ever an' what Barnum said about suckers still holds good. Th' technick o' th' game has been changed, that's all. It's been changed from 'grabbin' a few dimes or dollars with a keeno game, t' rakin' in a few millions or so by paintin' rosy pictures o' wells spoutin' lakes of oil, located just a few hundred miles from a gusher, or of plantations yieldin' crops o' billions o' b'lloon tires, with nothin' t' do but clip 'em 'n crate 'em for th' market. Th' stock's been placed with just a few thousan' insiders, which th' come-on is as soon as he puts 'up his dough.

I claim it pays t' invest your dough where you can keep your eye on th' property and th' gents in charge of it!

results of tyranny and the greed of might and power, that we have come to appreciate that which the Father of our country made possible for us.

Since the world catastrophe, the Declaration of Independence has a clearer significance; we know, as we did in former years, but did not fully appreciate, what it means to be free and independent states, removed from the dominance of foreign powers. We have come to a new sense of appreciation of the constitution of the United States and a realization that the framers of that sacred document built wisely when they sought to protect the rights of the minority against the passing whims of the majority.

And, so this year, Washington's birthday should be no routine holiday, but a day of solemn reflection over the debt that we can never repay for the heritage of a free people that we enjoy.

Let us pay unstinted tribute to him who made us a nation, the warrior who cut the bonds of foreign overlordship, the statesman who bade us, avoiding entangling alliances, to go our free way, an independent republic.

"With malice toward none," said Washington's greatest successor, "with charity for all." It was a summing up of Washington's own political creed. No lost cause, however glorious with the blood of martyrs, seems more noble today than the cause of American independence.

It is our duty to cherish and protect it and to give honor to whom honor is due.

LIONS FALTER AT CRITICAL MOMENT

With Score 33 to 33 And Three Minutes to Play, Richmond Shows Punch That Wins Game

LOCALS LEAD MOST OF WAY

Pile Up Five-Point Margin First Half And Maintain it Most of Second Half

Outplaying Richmond in all stages of the game here Friday night, the locals lost a hard fought contest in the closing three minutes of play, when the visiting team took desperate chances on long shots, and broke a 33 to 33 tie, winning by a 9 point margin, 43 to 34.

The game was the fastest encounter seen this year on the local court, and the Lions put up a fight from the start, and were entitled to a victory. In the last half Richmond was given ten chances on fouls, and made 7 of them, while Rushville made good one out of three attempts.

With the score 27 to 24, Snoddy was retired on fouls, just when it began to look like Rushville was going to upset the hopes for the Morton team. Rushville piled up the score in the first half, and were in front 23 to 18.

Right in the start of the game, Snoddy scored a field goal, and after a little tussle, Price came back with one for Richmond. Rizio fouled and McNamara made the one point count. Eubanks dropped a goal in for Richmond, that made the score 4 to 3 in the visitors' favor.

Snoddy threw the ball in from under the basket, with a Richmond player hanging on, and the goal counted, and he also made good his two shots on the foul, putting Rushville in front 7 to 4. Walker fouled and Price counted one for Richmond, and when Rizio anchored one from the center, the score was tied at 7 to 7.

Goals by Kessler and Rizio put Richmond in front 11 to 7, and the Lions called time. Snoddy scored next for Rushville, and when McNamara fouled, Rizio was given two chances and made one of them, putting the score 12 to 9 in favor of Richmond. Comella dropped one in for the Lions, and when Hilligoss scored from the field, the score was in Rushville's favor, 13 to 12, with Richmond calling time.

Snoddy and McNamara each scored the next shots, that put Rushville ahead, 17 to 12. Snoddy fouled, but Johnning missed for Richmond. Walker sent the score 19 to 12 with a nice side shot. Richmond spurted and broke through for a shot under the basket, with Price connecting. Hilligoss came back with one for Rushville, putting the score 21 to 14.

Richmond called time out again. When play resumed, Price and Kessler counted goals, making the score 21 to 18, and Rushville called time. Snoddy fouled again, and Kessler missed a shot. Before the gun sounded the end of the half, Comella dropped in another from the center, making the score 23 to 18, with Rushville leading.

At the start of the second half Muey went in at forward for Richmond and he scored a field goal. Snoddy came back with one for Rushville, making the score 25 to 20. Snoddy made his third foul, and Muey tossed in the one point. Comella found the hoop again from the center, and Rushville was in front 27 to 21.

Muey bounced the ball in from under the basket, and when Snoddy fouled for his fourth time, he went out, and Newbold took his place. Kessler scored the point on Snoddy's foul, making the score 27 to 24. McNamara fouled and Kessler made one of the two chances, putting Richmond behind 2 points, 27 to 25.

Hilligoss dribbled through for a shot, that again put Rushville out in front, 29 to 25, and then Muey scored from under the goal for Richmond, with Hilligoss coming back and dropping in another, making the score 31 to 27.

Muey and Hilligoss staged the same thing again, and the score was 33 to 29, and as time was getting short, Richmond called time out for the third time to talk matters over.

Rushville fouled, and Rizio made both count. Newbold fouled, and Kessler was given a chance to tie the score, but missed one shot, and the score was 33 to 32. In quick time Rushville fouled again, making three fouls in less than a minute,

MANILLA SWAMPS ARLINGTON

Wins by Score of 41 to 13 on Own Floor Friday Night

Manilla swamped Arlington Friday night at Manilla, 41 to 13. The visitors took an imposing lead the first half, the score standing 19 to 6 when the period ended.

Hester, Manilla forward, rained in 8 field goals, and Baker, his running mate, counted 5. H. Brown, center, got two each. W. Brown who went in for Haley, scored two from the field. Hester made one foul goal.

Tate of Connersville acted as the referee.

and Eubanks was given two shots, and made one, which tied the score 33 to 33.

Rushville called time, and only three minutes was left to play. Rizio fouled and McNamara missed his one chance. Muey fouled and Hilligoss was given two shots, making his first and missing his second attempt, putting Rushville ahead 34 to 33.

In the closing minute and a half, Rizio added the punch that wins games, and from near the center of the floor he made three shots, putting Richmond in front 39 to 34. Before the gun, Eubanks and Kessler made easy shots for Richmond, that put the score 43 to 34.

The game had been pulled from the fire by Richmond in the last few minutes, and the locals deserve great credit for the showing that they made. The offering was Richmond's best, and it was the closest call that any team could have. Although Newbold played a fine game, yet it is the belief that the way that Snoddy was hitting the basket, and playing ball, that Richmond would never have won, if he had stayed in his position.

Any team that can hold Richmond to 9 points, and play like they did, will have no trouble in going a long way in the journey. If the game last night had been a tournament game of 15 minutes halves, Richmond would have been out of the running, as the game was not won by them until after 37 minutes had gone by.

The way the Lions played, should give them all kinds of encouragement over Connersville next Friday, and with the same old fight, the Fayette county team should not be much trouble here. As a matter of fact, the Lions are out to crush Connersville.

The line-up and summary:
Richmond 43 Rushville 34
Eubanks F Hilligoss
Price F Snoddy
Johnning C Walker
Kessler G McNamara
Rizio G Comella
Substitutions, Muey for Eubanks, Eubanks for Price, Newbold for Snoddy. Field goals, Eubanks 2, Muey 4, Price 3, Rizio 5, Kessler 3, Hilligoss 5, Snoddy 5 Walker, McNamara, Comella 3. Foul goals, Eubanks, Muey, Price, Rizio 3, Kessler 3, Hilligoss, Snoddy 2, McNamara. Referee Babb Umpire Campbell.

TWO PRELIMINARIES HELD

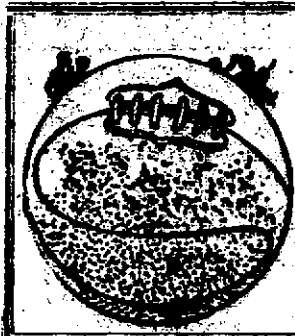

Two games were on the program before the big game, with the Rushville second team winning from Morristown 36 to 21, and the Columbus girls downing the Rushville girls 23 to 11.

The seconds did not have much trouble with the Morristown team and were ahead 15 to 9 in the first half.

The visiting girls were out for revenge, and Euzetta Foster, the forward for Columbus, proved too much and scored all of the 23 points for the Bull Dog girls.

The summary for the two games:

HITTIN' 'EM AND MISSIN' 'EM

It was a great game, even if the Lions did lose, and it only goes to show that Rushville can step out with the rest of them. The 9 point victory of Richmond does not begin to indicate the closeness of the game. The visitors had the punch in the last two minutes and took desperate shots at the basket from the center, and they counted.

The only place that Richmond seemed to have the advantage of Rushville was in basket shooting, and they could hit the net from any angle. Rushville had 3 shots to the visitors one at the basket. Even at that the Lions were hitting the basket in good form, and deserve to be patted on the back.

Richmond plays Bedford tonight. Each of these teams will enter their games on even terms, as Bedford had to go the limit to win an overtime game from Martinsville last night.

The way that Richmond played, indicates that you can expect to see them go a long way in the state tourney.

AND THE LIONS ARE NOT COUNTED OUT

Richmond fans were surprised to see the Rushville team put up such a stubborn fight, and you can ask any of them about the Lions, and they will tell you, that they are expecting to entertain the Rushville team along about regional time at Earlham. One Richmond rooster said Rushville was the next best in eastern Indiana.

To pick out an individual star on the Rushville team would be impossible. The Lions played like they did in the game with Columbus, when they beat them ten points, and every man was at his best.

The Lions were unlucky on fouls, and during the game Richmond made 16 field goals and Rushville 15 goals, with the rest of the points being made on fouls. Snoddy who was going like a streak, had to retire soon after the second half began, on account of fouls, and when this fast player was taken from the line-up, it seemed to take away the speed, and the good basket shooting was missed.

Roman met Roman in almost every encounter last night, with Rizio and Comella hanging on to each other like two long lost comrades. Rizio won the game for Richmond when he anchored three long ones in their last minute rally. Comella, for the Rushville team, dropped in three baskets from the center.

The fellow that invented three games in one night ought to be shot at sunset. The long wait is enough to wear any player out, and besides the fans should be given some consideration.

Next season Hittin' 'em is in favor of adopting a schedule for starting games on time. In every other city the main attraction begins at 7:15 or 8 o'clock. If certain raisers are a necessity, let 'em start on time, or play in the afternoon. The visiting people appreciate getting home before morning.

Poor Ikniks. Hagerstown had the best of them last night 37 to 33 after leading Connersville in almost every stage of the game.

Newcastle got sweet revenge from the Nightingales, 27 to 17, which probably doesn't cement the feeling between Knightstown and the county seat.

Shelbyville's habit is growing. They downed Greencastle last night by several points, and will now center their attention on Martinsville for next Thursday.

Carthage showed Moscow up last night, winning 31 to 23 with the regular center for Carthage out of the game.

K. Wilson, center for New Salem edged 9 field goals and his team won from Morristown 26 to 25 in a thriller last night.

STIFF CARD FOR THE CAMELS
Shelbyville has announced their

basketball card for next year, and in the list, Rushville is given a berth. They come here for their third game of the season, November 28. Other games include Connersville, Franklin, Manual, Bloomington, Greensburg, Vincennes, Lebanon, Martinsville, Greencastle, Columbus, Richmond Ft. Wayne, Muncie, Newcastle and Technical. All of which is a pretty strong card.

And The Players Used Football Skills

Who remembers when all of the basketball games were played out of doors, in the afternoon? Hittin' 'em remembers one of the first tournaments ever held here was out at the fair grounds, and Manilla carried off honors, and a fellow by the name of Fox was the star performer in those days for Manilla. Another time is recalled when Milroy held a fall festival or horse show, and Rushville played in the afternoon, with a basketball court laid out in the middle of the west end of Main street. Rusty Kirkpatrick probably remembers that game. Today it takes a place even bigger than a fair grounds, or a Main street to accommodate the crowds. In those days the sky was the limit.

Let's Let Harry Lucas Test The Horn

The basketball games in Rushville have not been according to the official rules this year. The rule book states that the score keepers shall be supplied with a horn to blow for substitutions and for inquiries from the referee. The book of rules sets out clearly that a horn or some mouth device, different from the time keeper or referee's whistle, shall be used. These horns are used in some of the larger schools. The rules set out that the sounding of the horn does not stop a game. Anyway, fans are tickled that the score keepers don't have to shoot the gun for every substitution.

Two more games on the Lions schedule. Connersville here next Friday, and then the team goes to Terra Haute on Saturday.

The Lions intend to crush Connersville, if that is of any interest to you.

DRAWING A WEEK FROM TODAY

You won't have to wait until Sunday morning, or Saturday night next week to learn about the drawing for the Rushville sectional. Save your ten cents, and read the Daily Republican in the noon-day edition next Saturday. It will have the official drawing for the local sectional.

If we had our way about it, we'd draw today.

Newcastle plays at Connersville tonight, and if Newcastle is anything like Rushville, they wouldn't let any team beat 'em twice in one season. That's our motto this year.

Next year we're not going to let any team beat us once.

GLENWOOD TOSSERS SWAMP GINGS HIGH

Scoring Machine Sets in Working Good and Opponents Didn't Have a Chance

CUSTER STARS FOR GING

The basketball team of Glenwood high school swamped Gings Friday evening in a game played at Glenwood, the score being 41 to 8. The game started off with a bang and it looked like it was going to be a close score, but when the Glenwood scoring machine, Reed, McGraw and Stamm, started to work, the score began to pile up for Glenwood. Custer was the star for Gings.

Lineup and summary:
Glenwood F Custer
Stamm F Eckert
Rees F Eckert
McGraw C Cortner
Bever G Gordon
Reed G Meyers
Substitutions: Glenwood Lark, Wicker. Field goals, McGraw 7, Reed 7, Stamm 5, Rees, Custer, Meyers. Fouls, Stamm, Custer 3 Gordon.

RALEIGH SEWS IT UP IN LAST HALF

Webb Outplays Washington Township High School Team First Half But Loses, 27 to 21

WEBB GIRLS TAKE ORENER

Raleigh put the skids under Webb last night at Raleigh in the last half, and won the game in the last 9 minutes of play, 27 to 21.

Webb outplayed Raleigh in the first half, and were ahead, 15 to 9. In the last half, Raleigh gradually climbed up on the visiting team, and after getting on even terms, they then forged in front, although the Webb team was leading until the last 7 or 8 minutes. M. Craig was the outstanding star for Raleigh, while for Webb, Osborne, Fair and Davison figured in the scoring.

The girls from Webb won an overtime game from the Raleigh girls, 18 to 14, after the game had ended in a 13 to 13 tie.

NEW SALEM RALLY BRINGS A VICTORY

Defeats Morristown by Margin of One Point, Coming From Behind During Last Half

VISITORS PILE UP BIG LEAD

New Salem staged a rally in the last half that nosed out Morristown last night on the floor in New Salem with the final count being 26 to 25. The first half saw the visitors in a comfortable lead, 18 to 7.

Correll and Ogle starred for the visiting team while for New Salem Wilson at center found the basket 9 times, and Wills, floor guard, made 2 field and 2 foul goals. New Salem was handicapped on account of several players being sick. The line-up and summary:

New Salem 26 Morristown 25
Scott F Correll
Stamm F Ogle
K. Wilson C Wilson
Wills G Talbert
Stiers G Bass
Substitutions, Webb for Bass. Field goals, Correll 6, Ogle, 4, Wilson, K. Wilson 9, Wills 2. Foul goals, Correll 2, Ogle, K. Wilson 2, Wills 2.

Tilden Wins One Point

HENRY L. FARRELL
(United Press Staff Editor)

New York, Feb. 16.—Even if Bill Tilden finds at the end of the current year that he must set aside the racket if he wants to continue wielding the typewriter, he will have the satisfaction of knowing that his row with the heads of the game ended in a tie score.

Tilden stirred up two major skirmishes this winter when he announced that he would withdraw from competition if the United States Lawn Tennis Association did not abolish its policy of secrecy in appointing Davis cup team and in declaring that he would continue his literary contributions to newspapers even if the association ruled him out of the amateur class.

Adoption by the association of a new interpretation of the amateur rule, the application of which would make ineligible for amateur competition any player who makes big money as a writer on tennis subjects, may cause Tilden to make a choice between the profession of a tennis player or a tennis writer.

If Tilden has an idea that he is bigger than the game, if he feels that he is so big a factor in the success of American tennis and the future of the game in this country that he could make his own rules, his admission of the sovereignty of the association by retiring as a player would certainly have to be scored as an actual defeat for him, even if he might consider it a victory of a moral nature.

But admitting that he stands to lose on this one point, he already has won the other point of contention, because the Davis Cup committee already has made known that in the future it will notify players thirty days in advance that they are to be appointed members of the defending or challenging teams.

This is a rather important point as it is applied to future Davis Cup competitions. After being criticized by a member of the committee for the way he was playing the doubles match against the Australians last fall in the challenge round for the cup, Tilden not only criticized the committeeman who hauled him out, but he assailed the system of appointment which made it impossible for the players to know who were to play in the doubles until just before the match.

He argued that to get the right kind of a doubles game out of any two good singles players it was essential that the two players be given plenty of team-to-practice as a pair and to outline a method of offense and defense. It was readily admitted on all sides that two players, who

CARTHAGE PUTS ON COMEBACK AND WINS

Moscow Takes Imposing Lead of 19 to 9 in First Half, But is Nosed Out Final Period

IS HELD TO ONE FIELD GOAL

Carthage high school staged a sensational comeback in the game Friday night at Carthage with Moscow, when they defeated the Orange township team, 31 to 22, coming from behind 19 to 9 at the end of the first half.

The Carthage defense was absolutely tight in the second half and Moscow secured only one field goal. Gosnell sank seven field markers in for the visiting team.

Moore and Ronegar starred for Carthage. The Moscow team played whirlwind ball in the first half, and piled up the ten point lead. In the second half, Carthage fought every minute, and scored 22 points, while Moscow made only 3 points. The game last night was the last game for Carthage before the sectional, and they gave the fans their money's worth.

A certain raiser was won by the Carthage Christian church Juniors over the Arlington Christian church Juniors, 26 to 3.

had not worked with each other all season, could not with forty-eight hours' practice go out and defeat an opposing pair of experience and long practice.

The association generously conceded Tilden's point and it not only made known that it would accept his suggestions in the future, but it went even further in drawing up elaborate plans for the development of the doubles game in this country.

While America's singles players rule the tennis world, it has been no secret for three years that there was much to be desired in the American doubles game and that America was going back instead of improving in team play.

The association suggested that leading players, after the fashion of the Kinsey brothers, form permanent pairs and play all season together. The Australians carry out this policy in the development of doubles players and no country can compare today with the Australians in team play.

The best doubles players in the country are to be asked to collaborate on the preparation of a book of instructions upon the strategy of doubles play.

ARLINGTON

Our basketball team has been on a slump the last two weeks. But we are predicting that they will be out of it by tournament time and will be heard from at that place and will be ready to pull one of those surprises, similar to those given a few teams this winter. A change in the line-up has been brought about and good results are expected.

Fon Kemple has been forced out for the rest of the season due to illness. He is sure to be missed as he was a valuable resource man. Two games on the regular schedule remain, Moscow and Raleigh.

The Arlington basketball girls have

Mothers, Do This—

When the Children Cough, Rub Musterole on Throats and Chests

No telling how soon the symptoms may develop into croup, or worse. And then's when you're glad you have a jar of Musterole at hand to give prompt relief. It does not blister.

As first aid, Musterole is excellent. Thousands of mothers know it. You should keep a jar ready for instant use. It is the remedy for adults, too. Relieves sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of back or joints, sprains, sore muscles, chilblains, frosted feet and colds of the chest (it may prevent pneumonia).

To Mothers: Musterole is now made in milder form for babies and small children. Ask for Children's Musterole.

GINGS SCHOOL

A farmer's joint institute was held last Friday at Fairview. School was dismissed for those who wished to attend. Several students attended all day and all attended in the afternoon. Practically all of the Seventh and Eighth grade students went also. Among those who took articles to exhibit, several brought home rewards. Mildred McMillin received first prizes on three articles entered in the sewing class, and second prize on a cake. Clara Cortner received second on a cake also and second on an article entered in the sewing class.

Lincoln's birthday anniversary was observed Tuesday in all of the rooms. Each room had a program consisting of songs, recitations and dialogues. The third grade, under the supervision of Miss Miller, entertained the Fourth grade. They are to be entertained in turn by the fourth grade on February 22 with a Washington program.

The high school, seventh and eighth grade students are planning a Washington program to be given February 22. Mr. Sipe appointed a committee of three, chairman, Adrian Eckart, Mildred Jarrett, Robert McCullough, to take charge of it. Mr. Farthing visited several classes here Tuesday afternoon.

Probably our last basketball game of the season was played Thursday night with Glenwood at the Fairview gymnasium, that is not counting the sectional tourney.

We have a new Domestic Science teacher, Mrs. Cory of Orange, who is filling a place left vacant by the resignation of Mrs. Ross. Mrs. Stewart, our Latin instructor, is teaching us English now and Mrs. Cory has taken over the supervision of the seventh and eighth grades. We hope she will learn to like our school as well as we do.

Our school was saddened very much by the death of one of our eighth grade girls, Helena Robey. She had been absent from school almost ten weeks suffering with typhoid fever. She died February the fifth and school dismissed Thursday for her funeral. A beautiful floral offering was sent in behalf of the school.

CENTER SCHOOL

Several of the pupils attended the short course at Knightstown this week.

Ruth Truitt was absent from school Monday on account of sickness.

The class in history is now studying the Civil War. The class in American problems is studying taxes.

History reports given Monday were, "John Brown," by Marguerite Huber; "Arguments, for and against Slavery," by Fern Stewart; and "The Presidential Election of 1860," by Ruby Stewart; Tuesday Ruth Truitt gave arguments for and against secession.

The losing side in the paper contest entertained the winner Thursday afternoon with the following program: Piano solo by Crystal McShurley; reading, Nova Sherman; piano solo, Freda McManus; vocal solo, Lois Trowbridge; reading, Vera Bowles; instrumental trio, Ruth Atkins, violin, William Benner, saxophone, and Marguerite Huber; piano; "Collection Nuts," by the school.

Mr. Landrus read Stockton's "The Lady or the Tiger", for opening exercises Monday.

The entire school was saddened by the death of Eldora Harter. Although Eldora has not been able to be in school this term, she was loved by all, and will be greatly missed.

CARTHAGE SCHOOL

BABETTE HENLEY, Editor

The invitational tourney has been declared a success, both financially and otherwise by the officials, players and fans of Carthage. The best team won, but it took three overtime periods to prove Milroy the best team. They were awarded the loving cup after their six point victory over Moscow. In the curtain raiser the C. H. S. girls won from the Rushville girls, 25 to 22.

Martha Brennan, forward on the girls' team, has been absent from school suffering from torn ligaments in her ankle, which was injured during the curtain raiser Saturday night. Regardless of the severe pain, she continued to play during the remainder of the game. She will be unable to play at the county tourney next Saturday.

Commercial classes have not recited since Monday on account of the

illness of Miss Carfield, who is suffering from tonsillitis.

The Seniors are practicing two nights a week on their class play, "Honor Bright."

Miss Hinshaw issued specially printed "English Helps" to the students of C. H. S. Monday. They contain the motto, "Better English" and lists of "Do's" and "Don't's" pertaining to correct English and pronunciation.

Gilbert Glover, who was injured during the Arlington game at the county tourney, is still suffering from his fractured arm, and has not been at school this week.

Valentine Day was observed by pupils in the grades, with Valentine Boxes, Thursday evening.

GLENWOOD SCHOOL

The Parent-Teachers Association held its regular meeting at the Christian church Tuesday evening. The speaker was the Rev. J. S. E. McMichael, of the Presbyterian church, Connersville. His address was clear and convincing. He said that too many parents of today raised their children in the ostrich way—that is, they merely leave them alone, in a large way, to raise themselves. Child delinquency has been declared, by the judge of our juvenile courts to be due to parent delinquency in more than seventy-five percent of cases.

He pleaded for the better bringing up for the child, for greater sincerity honest and square dealings on the part of both parents toward their children. Looking out for the physical needs of a child is only a minor part of one's duty. The mental and spiritual needs are even more important and should be given careful attention by parents.

In addition to the address, Miss Margaret Britt sang three selections that were well rendered and well received by the audience. A three reel film, portraying scenes and industries of Columbia, South America, and also scenes from the world war, closed the program.

At the Farmer's Institute held at Fairview last Friday the Glenwood high school was represented in both the corn contest for boys and the sewing and baking contest for the girls. Eva Morris won first place for the best white layer cake and Paul Lewark and Lowell Reese got fourth and third places, respectively in the exhibit of corn.

John Mapes, former trustee of Union township, spent the day visiting the schools Wednesday. Mr. Mapes still takes an interest in teachers and school and his presence is a familiar sight to the teachers who used to work for him.

HOMER SCHOOL

Coming! Coming! Coming! What? A minstrel show! Where? The Homer school building. When? Friday night, February 22 at 7:30 o'clock. Admission? Yes. How much? Children 15 cents and adults 25 cents.

What kind of a program is it? Real fun, from start to finish. First we find a man who is in such a "decided fix" that he doesn't know what to say. Then we meet the man who lost his job because he didn't drink.

Oh, yes! All of Coonville will turn out. They go to the "Ristorat Club" at the home of Mr. and Mrs. Rastus Bonypart Johnson. This is a swell affair. Come and see Mandy "loosen"

her temper when her husband, Rastus falls and gets dirt "Allober de floor." Say, we even have borrowed false teeth! You must hear Mrs. Jones tell about them.

The pickaninies have a splendid time eating frosting, raisins, brown sugar and bananas, but Abe Linkun regrets his fun when Mandy, his mother, takes him into another room and whips him. Whak! whak! whak! Just listen at him scream. Well, maybe you would too (?)

We also have some real minstrel singers. Come and hear "Oh, Susannah" and "Mammy O'Mine". You just can't miss, "Last Night on the Back Porch". Other numbers, equally good, will be given.

Parent-Teacher's meeting is Wednesday, February 20. A male quartet will entertain that night. Everyone is urged to be present.

The Freshmen have had three tests this week in Algebra. Mr. Arend promised them that if three pupils made 100 percent they wouldn't have any more for a while. Well—he has the grades now and they are saying, "Goodbye test!" so you know what that means.

The high school was kindly invited to a party by the seventh and eighth grades. They had a large Valentine box. Valentine Day was justly celebrated by the Homer school. We all enjoyed a fine time and appreciated our Valentines. The other rooms also had Valentine boxes. You know, "It isn't the gift, but the giver."

NEW SALEM

Program for New Salem Parent-teacher Meeting to be held Tuesday night, February 19.

Horses Fed Right Live Longer

The Veterinarian's Recommendation

Horse Owner—Doctor, there's something the matter with this horse, he's no good for work anymore.

Veterinary—How long have you worked him?

Horse Owner—About six years.

Veterinary—He's all shot to pieces.

Horse Owner—I guess it was the hard roads.

Veterinary—No, you're wrong. The trouble with this horse is he hasn't been fed right. He's been fed a monotonous diet of oats and corn with hay, which fails to supply a work animal with a sufficient variety of diet to keep him in good shape. If you feed this horse right from now on you'll get a lot more service out of him.

City horses, because they are fed a monotonous diet and never get any green pasture, are generally out of service at 7 or 8 years of age. Horses that are fed right often live to 30 years of age.

I recommend Purina O-Molene because the variety of foodstuff in this well known horse feed is put there to keep them in good working condition. It is a complete ration. Horses thrive on it. They produce more work and live longer on O-Molene. Put your horse on O-Molene feed and watch the excellent results in only a few weeks.
